BUYER RESEARCH & MARKET ANALYSIS

Edition 2026 · Vol. I

1. Rudmex

MEXICO · INDUSTRIAL VALVES AND FLOW

BUSINESS TYPE

Importer and Manufacturer

INDUSTRY

Industrial Valves and Flow

PRODUCTS & CATEGORIES

Industrial Valves including Automatic Control, Butterfly, Gate, Metal-Seal, Flexible-Seal and More.

ABOUT

Rudmex SA de CV is a Mexican company founded in 1967, based in Saltillo, Coahuila, manufacturing and commercializing industrial valves under the BELG and RUD MYMACO brands. Its catalog includes automatic control, butterfly, check, gate, metal-seal and ball valves, pipeline filters, hydrostatic test pumps, actuators and telemetry for potable water and sewerage systems. Trade data confirms active imports of valves (HS 848120) and filters (HS 842119) — valve floats, release valves, tube sleeves.
